Europe's Biggest Talent Acquisition Event arrives in the USA!

We're crossing the pond to bring you Europe's biggest event in the Talent Acquisition industry, and landing in Music City itself - **Nashville, Tennessee**. Join us on **13th - 14th September** and be part of a community of individuals exchanging experiences, swapping words of wisdom, and sharing the same goal - improving and **celebrating all things TA!**

LEADERSHIP

On top of the festival vibes and fun activities, RecFest is the perfect opportunity to grow as a leader and build on foundations for your future. **Feel part of a community** as you share experiences, wisdom, and pain points throughout the days.

- Check out the latest talent approaches and game plans of your peers
- Gain actionable takeaways for you and your teams to use the very next day
- Return to the office motivated and refreshed, full of ideas to share with your teams

CONTENT

At RecFest, the learns really are limitless. Check out the event agenda and plan your team's content hitlist, based on what you want to know! **Exclusive to RecFest**, you'll have to be there to take full advantage of all that's on offer.

- Discover 6 stages, covering specialist themes, across 2 days
- Take in current and future theories to formulate your TA Strategies
- Choose from 60 talks by industry leading speakers, enabling you to learn from the best

TEAMS

RecFest is the perfect place for your teams to **connect, re-connect, or even meet for the first time**, all in a fun and relaxed festival environment.

- Get that all important face to face time
- Access hours of learning, upskilling and networking for an affordable price
- Boost Morale and Motivation

NETWORK

Find your tribe at RecFest! The only "work event" where you can **truly be yourself** and forge meaningful connections as you catch up with friends old and new.

- Feel supported during this time of uncertainty
- Connect and grow your network equity with like minded industry leaders
- Meet with new and your existing suppliers, for all your HR tech and service needs
